

Minutes from the Community Preservation Committee meeting, February 6, 2019

Present: Sean Daley, Sari Oseajohn, Mark Weld, and co-Chairs, Jack Burke and Sue Thorne

Absent: Ron Mastrogiacomo, Joe Sabella, John Kenney, Becca Campbell

The meeting was called to order at 6:35

The purpose of this meeting was to discuss the request from the Board of Selectmen and Finance Committee to increase the allocation for Paving Masconomo Park parking lot from \$50,000 to \$80,000 which was the original amount requested on the application.

Having spoken with the DPW and having been given assurances that the numbers support the increase, it was moved and seconded and unanimously VOTED to make the increase from \$50K to \$80K. It was also mentioned that the BoS and Fin Comm should be reminded that in essence, we are doing them a favor. The original request did not have enough supporting information for the CPC to feel that \$80 was justified and so we voted then only \$50K. It should not be our responsibility to seek out this supporting information but in this case, Jack did make contact with the DPW and was given numbers that satisfied those of us at this meeting and allowed us to vote accordingly.

Mark was headed to the Fin Comm meeting and was going to report our vote.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Sue Thorne, Secretary pro-tem

Post meeting note: The Fin Comm did accept the increase and will support the CPC recommendation on our Warrant.
