

Chebacco Woods Land Management Committee

Minutes of the Zoom meeting April 14, 2021 8:30 AM

Members present- Ralph Smith, Michael Mack, Susanna McLaughlin, Russell Camp

Others- Chuck Dam- Manchester DPW, Nate Derosiers, Mark McCoy- Manchester Police

Ongoing dog issues- Due to the large number of dogs in the woods, we are enforcing the Hamilton Leash Law. The Hamilton Animal Control Officer has been out on the trails informing people. Letters will be sent to the local papers, Facebook, etc. to let everyone using the area know that all dogs need to be on a leash at all times. Ralph is going to look into getting some plastic signs made at Staples. Sue will place a sign in the kiosk.

Walking the boundaries- Sue will contact the Boy Scout troops in Hamilton and Manchester to see if they will go out and locate all of the boundary markers with a GPS and make sure that they are visible.

R.B. Strong and Stendahl Tree still have to be paid.

Earth Day-The Save Chebacco Trails and Watershed group plans to ask people to clear branches from the trails and pick up trash in the Chebacco Woods.
