

MEEP Meeting
Tuesday, May 24, 2016 7:00 PM

Attendees:

Dennis Dixon
Eric Stallings
Bill Vachon
David Walls
Davis Keniston – absent
Stephen Carr – absent
Guest – Jill Appel (Gloucester Solar Challenge)
Guest – Sue Brown (Town Planner)
Guest – Greg Federspeil (Town Administrator)
Guest – Susan Hoague (Gloucester Solar Challenge)
Guest – Dick Prouty (TownGreen2025)
Guest – Douglas Telepman (Direct Energy Solar)

Discussion Items:

- Discussion with Doug Telepman re: Solar Panel Array up at the Transfer Station; additionally, investigate using town-purchased Pine Street property (3 acres = 5 megawatts)
- Dick Prouty and Susan Hoague discussed the Cape Ann Solar Challenge and TownGreen2025 initiatives
- Sue Brown discussed Visions For The Future of Manchester, and solicited suggestions, including an Electric Vehicle Charging Station (?behind Town Hall?)
- Greg reported that Town Hall work was complete (new lighting!), but library boiler work may be put on hold (economics of the situation?)

Action Items:

- Doug Telepman will meet next week with Greg for a tour around town re: Solar Panel Array possibilities

Meeting adjourned at 9:20 PM
