

Minutes from the Winthrop Field Committee meeting, June 22, 2019 at Jersey Lane Gate.

Present: Gar Morse, Matt Brzenzski, Jim Moroney, George Nickless, Sue Thorne, and Chair Mike Chapman. Also present was consultant, Ben Rossi

Absent: Mike Carvahlo and son Zac.

Mike called the meeting to order at 8:30

Mike will go before the Board of Selectmen on the 24th to present our annual report and donation.

Longevity Bench: The Board of Selectmen gave broad approval to benches at Pine and Pleasant Streets as well as Winthrop Field. One Selectman questioned whether we might be in conflict with the terms of the Trust which states that no permanent structure can be sited on the field. He felt that possibly the base foundation could be considered permanent. Gar is checking with Bill Bonnocorso, a real estate lawyer and former member of the WFC.

Jersey Lane Gate: posts and brackets are on hand, ready to go. Ben and Matt will coordinate the work.

Drain clearing: Dash Drain will continue the work with a tentative budget of \$3800. At our July meeting and the start of the new fiscal year we will vote on a specific amount.

Willow tree work: Approval has been given by Dan Senecal on whose property the tree sits for it to be removed . We have one quote for \$2500.00. Ben will contact North Shore Arborists for a second quote.

Manhole: will be addressed after the field is mowed.

Minutes: approved with one correction . It is Dash Drains not Jack's drains.

Next meeting: July 27 at 8;.30 at the Jersey Lane Gate. Meeting adjourned at 8:50.

Respectfully submitted: Sue Thorne
