

## TOWN OF MANCHESTER-BY-THE-SEA

---

Join us on Thursday, October 18<sup>th</sup> to discuss

# Restoration Options for Central Pond

**Where:** Town Hall, Selectman's Room 5 (2<sup>nd</sup> floor)  
**Date:** Thursday, October 18<sup>th</sup>  
**Time:** 6:00 – 7:30 pm

Please join us for a presentation and discussion on potential options for the restoration of Central Pond. During this meeting, several possibilities will be presented, followed by discussion, comments and questions/answers from the public.

This project is being performed in conjunction with the replacement and widening of the Central Street bridge/culvert. We hope that you will attend to learn more about this project, ask questions and make your voice heard.

*Please note that plans for restoration are conceptual at this point – a grant from the Massachusetts Municipal Vulnerability Preparedness program is funding this next stage in which alternative plans will be created and evaluated.*

---

**Reservations are appreciated but not required**
