Town of Manchester-by-the-Sea COVID-19 Updates

COVID-19 UPDATE

Manchester Total Positive Case Number (to date) as of Thursday, May 5, 2021: 231

Active Cases: 0

(Last week's COVID-19 numbers reported on 4/28/21: Total cases – 231, Active cases – 6)

The Massachusetts Department of Public Health has instructed all local boards of health *with populations less than 10,000* to only report total positive cases: “In order to protect privacy and confidentiality of individuals who test positive for COVID-19. We understand that many boards of health find value in sharing community-specific data as part of a risk communication plan and to keep the public informed about the scope of the local public health effort. If you choose to share numbers of cases for these purposes, please do so with the highest regard for privacy and confidentiality by not including any information other than the case count.”

Each **Wednesday** the Board of Health will release an update on COVID-19 in Manchester-by-the-Sea.

Violations as of 5/5/21: The Board of Health and Manchester Police have not issued any new violations in the past week.
