Subject: reporting

Here is a clip from our permit- we are **limited by** and report the rolling average and only report monthly.

Effluent Characteristic	Effluent Limitation			Monitoring Requirements ^{1,2,3}	
	Average Monthly	Average Weekly	Maximum Daily	Measurement Frequency	Sample Type ⁴
Effluent Flow ⁵	0.67 MGD Rolling Average	---	---	Continuous	Recorder
Effluent Flow ⁵	Report, MGD		Report, MGD	Continuous	Recorder

- Report annual average, monthly average, and the maximum daily flow in million gallons per day (MGD). The annual average limit shall be reported as a rolling average. The value will be calculated as the arithmetic mean of the monthly average flow for the reporting month and the monthly average flows of the previous eleven months.
