Gail – I believe this email chain represents the balance of the email communications with Gordon College representatives. In addition, as discussed at a TF meeting, I received a call from Mr. Imming in response to my most recent email wherein Mr. Imming indicated that his team was working on a response to my most recent email. Thanks, Denny

Hi Chris – I am back in town. The Task Force Committee is under increased pressure to identify specific sites to include in its recommendations to the Select Board. You need to let me know whether Gordon College is in or out on the proposal I made in our December 13 meeting. Time is now of the essence. Regards, Denny

Hi Chris – Wishing you and your family a Happy and prosperous New Year. I wanted to check in and let you know I will be out of town on business from Jan 12 returning late on Jan 17. I think we left the Dec 13 meeting with the idea we would talk again in mid-January. On my end, the Task Force is getting pressure to identify specific sites which the Town of Manchester will submit to the Executive Office of Housing and Livable Communities to comply with Chapter 40A. Where are you in your process? Regards, Denny Hall

Denny,

Today we will be meeting in the Lane Student Center. The easiest parking lot to use is our AJ Chapel parking lot which is the second entrance on the right side of the road when approaching campus from Route 128. My cell phone is 978-473-9863.
