

Minutes from the Winthrop Field Committee meeting, May 7, 2022 at 8:30 am at the Jersey Lane Gate.

Present: Chair Mike Chapman, Gar Morse, Jim Moroney, Matt Brzezinski, and Sue Thorne

Absent: Tony Leggett, Mike Carvalho and Consultant, Ben Rossi

Mike called the meeting to order at 8:30.

Minutes from the April 9, 2022 meeting were unanimously approved.

Ken Lane has submitted his certificate of insurance and we are good to go with his contract for field mowing this summer.

Mike Chapman and Ben Rossi will reach out to Dash Drains to have them come in to locate and assess existing drain components and find a failed manhole.

Mike will reach out to Nate at the DPW to get information relative to chlorine testing.

Next meeting will be June 11 at 8:30 at the Jersey Lane gate. Hopefully weather conditions will have vastly improved—it was freezing and windy this morning which led to one of the shortest meetings on record. We adjourned at 8:40 !!

Respectfully submitted,

Sue Thorne
