

Minutes Winthrop Field committee Meeting June 26, 2021 8:30 am at Jersey Lane Gate

Present: Chair, Mike Chapman, tony Leggett, Jim Moroney, Gar Morse, Sue Thorne and Consultant, Ben Rossi

Absent: Mike Carvalho, Matt Brzezinski

Mike called the meeting to order at 8:30

Mowing Contract: Ken Lane has provided his insurance certificate and still needs to provide his W9. Likely to do a mowing around the first of August all conditions being acceptable for mowing. Bill Perkins was disappointed about not getting the contract but understood the reasons why. Thanks to Mike for shouldering the task of letting Bill know!!

Site Visit by DPW: Chuck and Nate from the DPW met with Mike and Ben to review the drainage system. The Town will help with vacuuming out the stone collections in the manholes by using the contractor engaged by the Town. They identified active manholes and marked incoming and outgoing drain lines. Progress!!

Bridge Street work cutting weeds behind the wall: a date will be set at the next meeting.

BoS meeting: July 6, Mike will present the WFC annual report and report on any donations received this year. To date, the Winthrop Trust \$10K and private donations \$1500.

Sue will contact the DPW and Greg Federspiel regarding our concern about tree safety along Jersey Lane. Also bring to their attention the concern about a communications pole that is listing, rotten at its base.

Next Meeting and site visit: July 24 at 8:30 at the Jersey Lane Gate.

Respectfully submitted, Sue Thorne

Approved at 7/24/2021 mtg.
