

Minutes from the Winthrop Field Committee Meeting, July 16, 2022 At the Bridge St. Gate, 8:30 am

Present: Chair Mike Chapman, Gar Morse, Jim Moroney, Tony Leggett, and Sue Thorne.

Absent: Mike Carvalho, Matt Brzezinski and Consultant, Ben Rossi

Meeting called to order at 8:30

Minutes from the meeting of June 14, 2022 were approved unanimously and will be filed with the Town Clerk.

Mowing: Likely within the next two weeks, depending upon Ken Lane's schedule and weather. Areas around the drainage ditch have been trimmed, manhole covers have been marked, and the tree canopy has been lifted all to enable the mowing to be done more efficiently.

Pollinator Project: Woody Kelley from the CPC had inquired about the possibility of a pollinator project to be set up at Winthrop Field. He was invited to attend to give the committee more definitive information but did not come to the meeting. Sue will contact him and let him know when the next meeting is. The Committee took no action on this project.

Next meeting will be August 20, 2022 at the Jersey Lane Gate.

The meeting was adjourned at 8:53. Those remaining will do final finishing on tree trimming.

Respectfully submitted,

Sue Thorne
