APPLICATION & REVIEW PROCESS

The CPC strongly encourages applicants to review the [Community Preservation Act MGL c.44B SS 1.et.](#), Manchester CPA By-law, the [Community Preservation Coalition Project Evaluation Criteria and the Department of Revenue's \(DOR\) Allowable Uses Chart](#) before beginning the application process.

Step 1 – Information Meeting (September Meeting)

The CPC will hold an information meeting and public hearing in September. This meeting will provide the CPC with an opportunity to canvass the public for ideas as to the needs, possibilities and resources of Manchester-by-the-Sea regarding community preservation.

Step 2 – Determine Project Eligibility (October Meeting)

All applicants must begin the application process by submitting a one-page Pre-Application Project Eligibility Determination form. Please note, the CPC requires that historic preservation projects receive a Determination of Historical Significance from the Historic Commission once your project has been approved to go forward with the CPA Funding Application. This pre-application will introduce your proposal to the CPC so that it can determine the project's eligibility for funding and offer further guidance.

Please submit the Pre-Application form to the CPC at Town Hall before the CPC October meeting. The CPC will announce eligible projects and invite full application at the end of its October meeting.

Step 3 – Submit Project Funding Application (by December 1st)

Please review the Project Funding Application and associated forms and be sure to include all information and materials as requested and appropriate. The application cover page must be signed and dated by the application/organization's designated representative and the owner if different from the applicant.

Step 4 – CPC Review (December, January, and February meetings)

The CPC will review the project applications. The CPC will perform its due diligence and may request additional or more detailed information to be submitted in order to fully evaluate the project's merits.

Step 5 – CPC Recommendations & Vote

The CPC reserves the right to attach conditions and require additional agreements and/or protections as part of its recommendations. The CPC may also recommend funding only a portion of the project, or phasing of the project. The CPC will meet with the Board of Selectmen and Finance Committee to explain its recommendations, answer questions, and provide background information in advance of Town Meeting.

Step 6 – Award Letter

The CPC will inform successful applicants after Town Meeting. Projects receiving CPA funding will be required to credit this source of funding in promotional materials and, whenever appropriate, at the project location.

Step 7 – Fund Disbursement & Project Monitoring (sample available at Town Hall and online)

Before funds can be spent, the award recipient must agree to and sign a Grant Agreement/Memorandum of Understanding, which describes project implementation, conditions of approval, fund disbursement and reporting requirements.
