I, Geoffrey Engler, do hereby declare under the pains and penalties of perjury that, in connection with that certain project known as the Sanctuary at Manchester-by-the-Sea, I have not knowingly made any false, misleading or inaccurate statements in the Comprehensive Permit Application submitted to the Town's Zoning Board of Appeals or in the application for a determination of project eligibility made to the Massachusetts Housing Finance Agency, a.k.a. MassHousing, prior thereto. I also state that I know of no undisclosed facts, agreements or changes of circumstances that would cause the Comprehensive Permit Application to be false or inaccurate in any way.
